About Us

We teach students the skills they need to succeed in their Medical career. Our goal is to provide a high-quality and affordable education in a supportive and innovative learning environment that prepares students for success in their healthcare career.

GOVERNMENT APPROVED:

Our program is approved by the Maharashtra government, ensuring students receive a qualification that is respected by healthcare providers throughout India and beyond.

100% JOB PLACEMENT:

Our institute ensures 100% job placement for all graduates. An in-built hospital on campus opens opportunities for internships and direct job placements, Where students receive mentorship from experienced doctors and nursing staff

AFFORDABLE EDUCATION

Money shouldn't stop students from becoming a Healthcare Professional! We offer affordable fees and flexible payment plans that work with the student's budget. We want to make each student's dream healthcare career a reality, not a financial burden.

“ The future belongs to those who believe in the beauty of their dreams. ”

Mrs. Sangeeta S. Thorat

Chairman Shri Swami
Samarth Shaikshanik
Sanskrutik Sanstha

Mr. Sagar S. Thorat

Managing Director of
Mother Teresa College Of
Nursing

General Nursing And Midwifery (GNM)

DURATION: 3 Years

What Is GNM?

GNM stands for General Nursing and Midwifery. Nurses care for patients in hospitals and clinics, helping doctors and ensuring patient well-being. Midwives specialize in pregnancy, childbirth, and postnatal care. The program trains students to become qualified nurses and midwives. The program includes 3 years of academic learning, covering both theoretical and practical aspects of nursing, followed by a 6-month internship in hospitals and healthcare settings.

VOCATIONAL EDUCATION AND TRAINING**

OUR IN-DEMAND

PARAMEDICAL COURSES

DIPLOMA IN MEDICAL LABORATORY TECHNOLOGY (DMLT)

DURATION: 2 YEARS

In the DMLT course, students will be trained to work in a medical lab and learn how to perform various tests on blood, tissues, or even bacteria to gather clues about a patient's condition.

CC IN RADIOLOGY TECHNICIAN

DURATION: 1 YEAR

In Radiology, students will be trained to operate X-ray, CT Scan, and ECG machines. This helps doctors diagnose and treat broken bones, heart conditions, and internal diseases.
